

RAVE™

The **RAVE™** disposable shoe covers provide premium protection for use in rough environments such as home and trade services, construction sites, steel, oil and gas industries, farming and agriculture, animal labs, or other industrial settings.

They are made of a proprietary coated multilayered fabric that offers maximum wear resistance, with anti-skid and waterproof properties.

RAVE™
Size: X-Large

RAVE™
Size: Universal

Benefits: The **RAVE™** shoe covers are performant and strong enough to withstand daily use in the roughest conditions. Their textured outer layer enable for better foot control. They are low linting with seamless soles and sides.

Versatility: They come in two sizes. The *Universal* to fit most shoes sizes, and the *Extra-Large*, made for bigger work boots or steel-toe work boots. They stand out with their vibrant red color.

Packaging: These shoe covers are available in convenient bags or dispensing boxes to accommodate different user needs.

The **RAVE™** shoe covers are not made with natural rubber latex and they are silicone free.
